The Central Texas Wolf Pack Public Safety Football Team

The Central Texas Wolf Pack Public Safety Team will play at 3 p.m. this Saturday, April 25, 2009 at the Toney Burger Activity Center, 3200 Jones Rd. They will play the NYPD Finest. This game is being played to benefit the Lake Travis Youth Association and the East Austin YMCA. **Tickets for the game are \$10 adults/ \$5 kids and are available at www.eteamz.com/centraltexaswolfpack.**

The Wolf Pack competes in the National Public Safety Football League (www.NPSFL.com), along with approximately 22 teams from across the nation for the annual NPSFL National Championship. All teams raise money during the course of the season for local charities.

The Wolf Pack team raises money to support the East Austin Community's YMCA in an effort to help support programs designed to give at-risk kids an opportunity to participate in organized athletics.

The Wolf Pack football team is represented by approximately 15 different Central Texas public safety agencies.

The Wolf Pack organization hopes to bring public safety officials and the community together on common ground. That common ground is to promote a positive influence on our youth with solidarity, leadership, and integrity. We must work together to ensure that our youth of today is given every opportunity to become the best they can be tomorrow.

For the 2009 season schedule and information about the Wolf Pack, visit the website at www.eteamz.com/centraltexaswolfpack/
